

## 阿根廷國風僑聯中文學校 2021 唱華語歌比賽（線上）

#

國風僑聯中文學校

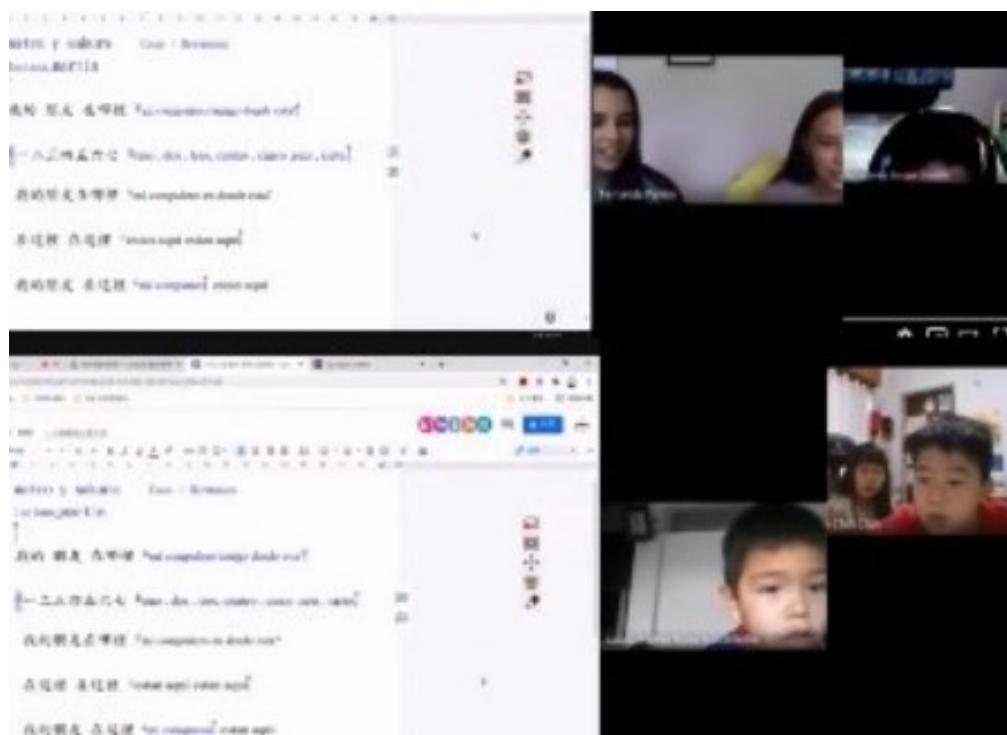

活動時間：2021-04-17

僑校學生學習華語時，部分學生感覺聲調很難、發音不準確，原因是因為他們日常使用的語言並沒有像華文那麼優美的聲調展現。

小至幼兒園，大至高中或成人班，唱歌學語言在課堂上都是備受歡迎的方式。以認知心理學說法，歌唱學語言是結合左腦與右腦的學習，這既是有趣又是開發腦力的學習語言方式之一；對於學習者而言，它的好處就是可以提高學生的自信心。

除此之外，利用歌唱學語言更能幫助學生改善發音問題、提升聽力培養語感，有利於操練語法句型。這就是歌唱學華語幫助學生調整他們音調的好處。

這次的活動共有6個班級參加，不分年齡個個使出渾身解數來爭取好的成績。

The image is a composite of two parts. On the left, there is a musical score for a piece titled 'Pescado, pescado'. The title is at the top in a yellow box. Below it is a line of lyrics in Spanish: 'Pescado, pescado, nadar en el agua nadar, feliz'. The music consists of three staves of musical notation. In the middle, there is a green box with the text 'Canción de acostarse sobre plantas acuáticas. Hambriento buscando bichos'. At the bottom, there is another yellow box with the text 'Contento Contento Libertad del mundo cristalino'. On the right, there is a video thumbnail showing a young boy with dark hair, wearing a dark t-shirt, sitting in front of a computer screen. He is holding a small object in his hand and has his index finger to his lips, indicating silence. The video is titled 'Fernando F. Núñez'.
